

ENTER TO WIN A CUSTOM HERITAGE H-157

In celebration of Pretty Lake's 100th birthday, Heritage Guitars made a custom H-157 guitar with a custom mother of pearl Pretty Lake inlay. Valued at \$4,225.00, you can win this H-157 with a \$10 bill!

This one-of-a-kind guitar is cut from a maple tree on Pretty Lake property and handmade on Parsons St. in Kalamazoo (in the factory that has been making guitars for as long as we've provided free summer camp for kids). Raffle tickets are \$10 and directly support our summer camp. The winner will be announced on October 20th.
