Why Gull Lake View?

It's called your big day, but we know the many days leading up to it feel almost as large. With Gull Lake View Resort, we know the depth and breadth of everything you're coordinating. We're committed to understanding your dreams and making your wedding day right.

As a family-owned resort, we know the importance of treating you like a family member. Our Wedding coordinators, banquet staff, and support staff are here for you. We're available when you need answers to questions, and we're fully committed to making sure any event-day surprises are handled behind-the-scenes.

Let's work together to design the big day of your dreams.

*It's easy to make
good decisions
when there are
no bad options*

Over the years we've learned one of our primary strengths is the ability to offer options. Are you picturing your first married kiss with a sweeping outdoor vista as your backdrop? The Tent at Stoatin Brae is an obvious choice. Maybe you've dreamt of a Country Club reception? Bedford Valley provides the exclusive feel you desire. Is the length of your guest list growing out of control? The Gull Lake View Clubhouse can accommodate both sides of the aisle.

No matter what site you choose, please know we're deeply committed to providing first class service and presenting quality grounds and facilities for your guests. We will make sure your wedding day experience is truly one to remember for all of the right reasons.

The Tent your blank canvas

Unlike any other outdoor wedding venue in our area, The Tent at Stoatin Brae sits at one of the highest points in Kalamazoo County and commands sweeping panoramic views of the surrounding landscape. The event's sunset will be talked about for years to come, and our walled tent provides the ability to let in the good parts of nature while keeping all of your guests comfortable.

Depending on your setup, The Tent at Stoatin Brae can accommodate between 150-200 guests. The covered space is 40'x60' with decks that reach beyond the tent in each direction.

Bedford Valley your private club

Get all of the benefits of a Country Club event without any of the annual dues. Open any time of the year, Bedford Valley is beautiful, contemporary, and climate controlled for your event. Built in 2008, this peaceful and elegant Craftsman-style clubhouse works perfectly for groups up to 180 guests. Whether you have your ceremony outside and reception inside or bring them both under one roof, the Bedford Valley Clubhouse can be arranged to meet your vision. We'll ensure an amazing event, no matter the weather.

Just six miles from downtown Battle Creek, the secluded feel and intimate layout make it easy to forget that town is just down the road.

The Clubhouse

Where families unite

If you're not afraid to invite the whole guest list, we're not afraid to host them. The Gull Lake View Clubhouse's capacity of 250 guests means that everyone can come! Our banquet center boasts a space 48' by 86' with a full bar and excellent lighting. With views of the Gull Lake View East Golf Course and an easy saunter to the Gull Lake View Private Garden and the Fairway Villas accommodations, this clubhouse is the perfect choice to make your special day a hole in one for everyone.

Available year-round, the Clubhouse is the perfect space to have a ceremony and reception all under one roof. You bring your dreams and we'll craft them into realities.

THE PERFECT START
To a Perfect Marriage

Food Matters

Can we guess the top three things you remember from the last few weddings you attended? Her dress? The look on his face when he first saw her? The food?

At Gull Lake View Resort, our mantra is "Food Matters," and that when it's done right, it's the third fondest memory of the night. We believe that food, and how it's cooked, served, and presented is why our events are extraordinary. We promise we won't outshine either of you, but we're not going to let anyone else slip into third place.

Our culinary experts are excited to help you develop the right pairings around entrée choices and Aunt Janet's dietary concerns.
